2. The tenders should be sent in properly sealed covers superscribed "Tenders for the supply of crushed gram for the animals of the Serum Institute" specifying the rates in the undermentioned form. The rate quoted should be written in words as well as in figures.

3. The tender rate quoted must be inclusive of all the charges for free delivery of crushed gram at the Institute premises at Hebbal, or at the Institute Reserve Depot. The tenders will be opened by the undersigned at 3-30 P.M. on 31st July 1933 in the presence of such tenderers as may choose to attend.

4. The quantity mentioned below being only approximate, the undersigned reserves the right to order for more or less from the successful tenderer.

5. No claim for enhanced rate on any account or for compensation of any kind shall be entertained during the period of the contract.

6. The successful tenderer should be prepared to supply such quantities as are required from time to time, upon indents from the Superintendent, Serum Institute, within the time specified in the indent.

7. Every tenderer should deposit in the State Huzur Treasury, Bangalore, a sum of Rs. 100 as earnest money towards the tender in favour of the Superintendent, Mysore Serum Institute, Bangalore, and the treasury receipt obtained therefor should accompany the tender without which the tender will not be considered.

Every tender should be presented with 2 lbs. of good quality crushed gram as sample, without which the tender will not be considered.

8. The final acceptance of any tender will rest with the Director of Agriculture who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

9. The name of the successful tenderer will be intimated in due course and he will be required to execute an agreement on a ten anna stamp paper, depositing a sum equal to 5 per cent of the total value of the tender in the State Huzur Treasury, Bangalore, as security deposit for the due fulfilment of the contract, within seven days from the date of intimation of the acceptance of the tender, failing which, his tender will be cancelled and the earnest money forfeited.

10. The earnest money of the unsuccessful tenderers will be arranged to be re funded in due course. After acceptance of one of the tenders, the earnest money deposit of the successful tenderer will be refunded to him after his executing the necessary agreement bond.

11. Bills for supplies made during the month should be submitted early for auditing and arranging payment. The total of bills amounting to Rs. 25 or more will be rounded to the nearest rupee, *i.e.*, fractions of less than half a rupee will be disregarded and half a rupee and over will be taken as a rupee. The total of bills less than Rs. 25 will be rounded to the nearest anna only.

12. The crushed gram to be supplied should be of good quality, fresh, unadulterated and free from sand, etc., and conform to the sample furnished at the Institute and will be liable to be rejected if not found suitable and satisfactory to the undersigned.

13. Should the successful tenderer fail to comply with any of the conditions stipulated above his contract shall be forthwith cancelled and the money deposited will be forfeited to the Government. Further, in the event of the successful tenderer, failing to fiulfil his contract within the specified time or failing to supply crushed gram within the required time as per indents sent, the undersigned reserves the right to purchase without further notice the crushed gram required in the open market against him at his risk and expenses, and claim damages for any dislocation of work or loss that may arise; but the contractor will have no right to participate in the profits, if any, by such purchases.
